

Jamie and Kendall Broderick are spending the summer with their father at Spirit Lake. Their father forgot to make reservations so they are placed up the road at Sutter's Swamp. No one else is around.

But suddenly mysterious things start happening. They hear the drumbeats and singing of an Indian ghost. Then the island in the swamp begins making a mysterious OOOoooOOO sound. Before they know it they are trapped at the cabin with the Indian ghost chasing them.

Can Jamie and Kendall solve the mystery before they are caught by the Indian ghost?.
