

WEREWOLF FEVER

A Ghost Story For Brave Souls

“There's a werewolf around. I just know it.”

“Johnson lost another lamb last night.”

“It was horrible.”

Sheriff Corbin listened as the talk around him started raising the pulses of the crowd. Finally he stepped in.

Is there really a werewolf? What do the townspeople do to find out? And if there is one, who is he?

Find out in this creepy tale that you can illustrate yourself.
